**About me**

I have passion in data science and I want to use my skills to help businesses grow and increase revenue and customer satisfaction. In my free time, I read, write and share my knowledge with the data science community.

Rewrite below sentences to be a more professional style with corrected grammar.

Driven by a passion for data science, I aim to leverage my skills to drive business growth, optimize revenue streams, and enhance customer satisfaction. Outside of work, I actively engage with the data science community through reading, writing, and knowledge sharing.
